### School Year Session

#### **RED BALL (AGES 4-6) (M)**

The red ball is larger and doesn't bounce as high as an orange ball. A smaller net and court are used so that it is easier to control the ball. The focus is on developing a positive association to tennis with an emphasis on general athletic skills, including hand-eye coordination, balance, and movement.

**DAYS & TIMES: MONDAYS - 8:00-8:30AM**

#### **ORANGE BALL: (AGES 6-10) (W,SAT)**

The orange ball is the same size as a normal tennis ball but doesn't bounce as high. No tennis experience is required. The focus is on teaching the proper grip and swing path for all strokes. Players will learn to serve and begin to play points. Footwork basics and tracking skills are emphasized.
